

Mental health for all – from evidence to engagement: being proactive to improve equity of mental healthcare for disadvantaged individuals

Thursday, March 2nd, 2023

14:00 – 18:30

University of Genoa, Aula della Meridiana (Via Balbi 5)

Opening remarks

Federico Delfino (Rector of the University di Genoa [invited])

Guido Amoretti (Director, Department of Educational Sciences, University of Genoa), **Lucio Ghio** (Director, Department of Mental Health, ASL3 Genovese), **Antonio Guerci**, (Director, UNESCO Chair Anthropology of Health, Biosphere and Healing Systems), **Giancarlo Icardi** (Director, Department of Health Sciences, University of Genoa)

Keynote lecture

Some are more unequal than others: social determinants of mental health in a global perspective (Sir Michael Marmot, London)

Session 1 (Chair: **Gaddo Flego**)

From health inequalities to actions for equity: equity audit in healthcare (Giuseppe Costa, Turin)

Positive actions: the project “Mental Health for All– Development and implementation of a digital platform for the promotion of access to mental healthcare for low language proficient third country nationals in Europe” (Barbara Schouten, Amsterdam)

Session 2 (Chair: **Paolo Peloso**)

Linguistic mediation in mental healthcare from the clinical perspective: unmet needs and priorities (Gianluca Serafini, Genoa)

Linguistic mediation in healthcare: context-sensitive models and frameworks for implementation (Mara Morelli and Nora Gattiglia, Genoa)

Round table (Chair: Emilio Di Maria)

Il convitato di pietra – the stone guest. The more disadvantaged, the more invisible: towards an equitable involvement of patients, families and communities in mental healthcare.
